Large through shoot through cave passing through low ridge. Drive through Ban Huai Nai Wang + follow stream down the valley. ^{road ends c. 500m from cave.} Stream sinks at end of valley. Deep water initially is avoided by using wooden bridges placed by locals. Easy walking through large chamber to sharp bend right. Follow stream to exit. 2 side passages, 1 off chamber ends as crawl, the other of stream passage ends in deep water. Cave used by locals as thoroughfare.
