* Rechecking of legs in Buddha room
of Than Phu Pha Sawan, Wat Ban Mung

9 → 14 180 ← bearing needs changing in previous survey.
14 → 15 301

PS0069

Than Yo

located inside building built against foot of cliff on the left, just after entering Wat Ban Mung.

47P 0681100 1831800 alt = 80m
⑥ on map

Walk past Buddha statue to walking passage behind. After 10m a short crawl opens into more walking with bats to T-junction after a further 20m. L + R end in crawls not pushed. Cave full of rubbish + covered with soot from fires + guano - disgusting.

Hipposideros bats, Amblypygids, tiny white spiders on webs in holes, annoying small white flies.

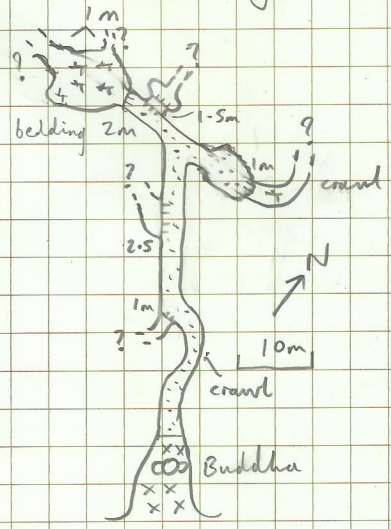

Ancient phreatic cave.

Than Yo
